ATTENTION ADMITTING PHYSICIANS – Medical Center ED
Update 11/20/13

- Before entering Admission orders confirm your patient’s Registration status.
  (“REG” in upper right side field of tracker)
- Patient must be in an ADM IN, ADM INo or SDC before Admission orders can be entered
- If the status says REG ER then order “ED Admit To”. (type ED Adm to find it)
- “ED Admit To” Order is now Automated to quickly convert the Reg Status to ADM IN, ADM INo or SDC
- ED Virtual Bed must be entered in correctly for this to work
  - Note on ED Tracker what ED Bed the patient is located in
  - Choose the “same” virtual bed when placing the order
  - To narrow the Virtual Bed List search, type the following:
    - Medical Center ED Virtual Beds
      - TCMEDA = Pod A Beds
      - TCMEDB = Pod B Beds
      - TCMEDC = Pod C Beds
      - TCMEDTR = Treat & Release
- The Registration status will change to ADM IN, ADM INo or SDC within one minute of placing “ED Admit To” Order
- If the Reg ER Status does not change immediately notify the Unit Secretary or Charge Nurse
- WAIT until the Registration status is changed to ADM IN, ADM INo or SDC to enter your Admission Orders
- Any order/s that needed to be done in the ED, order them as “STAT” so they will be completed in ED
