ATTENTION ED PHYSICIANS – Pod A
Update 11/20/13

“ED Admit To” Order is now automated to quickly convert the patient “Registration Status” to ADM IN, ADM INo or SDC, so the admitting physician can enter their Admission Orders
  o Same required data is entered into the order: Dx., Admitting Physician, Admit Status - In, OBS, SDC (Pt. going to OR, GI Lab, Cath Lab, Dialysis), Admit To, Requested Unit/Floor, ED Virtual Bed, Isolation Required and Patient Drips
  ➢ ED Virtual Bed must be entered in correctly for this to work
    • Note on ED Tracker what ED Bed the patient is located in
    • Choose the “same” virtual bed when placing the order
    • Note: Pod A Beds appear in the List 1st
      o Medical Center ED Virtual Beds

➢ TCMEDA = Pod A Beds

➢ The Registration status will change to ADM IN, ADM INo or SDC within one minute of placing the ED Admit To Order
➢ If the Reg ER Status does not change immediately notify the Unit Secretary or Charge Nurse
