

Let Covenant Health Help You With Student Loans

FINANCIAL ASSISTANCE

Covenant Health knows you have enough stress in your life right now so we've created HealthTraxx which offers financial assistance programs for nursing and respiratory therapy students.

WHO IS COVENANT HEALTH

Covenant Health (CH) is the 5th largest health system in Texas and has served for nearly 100 years as the only faith-based, integrated health network in the West Texas and Eastern New Mexico region providing a Christian ministry of healing. Our Lubbock hospitals include Covenant Medical Center, Covenant Women's & Children's Hospital and Covenant Specialty Hospital. We also have hospital facilities in both Plainview and Levelland. As a ministry of Providence St. Joseph Health, CH has a long commitment of taking care of people in the communities we serve. Our strong values and excellent working environment attract high-caliber team members who are passionate about what they do.

HEALTHTRAXX TUITION REIMBURSEMENT PLAN:

Through Covenant Health's HealthTraxx program you can receive partial tuition reimbursement for each successfully completed semester of Nursing school from an approved program to selected applicants enrolled in approved programs. CH will pay a total of \$2,500 tuition reimbursement to students enrolled in a 1-year training program, \$5,000 tuition reimbursement to students enrolled in 2-year training programs (i.e. Respiratory Therapy) or Advanced Credit/Placement Nursing Programs, \$6,000 tuition reimbursement to students enrolled in Covenant School of Nursing, and \$8,000 tuition reimbursement to students enrolled in an approved BSN program.

HEALTHTRAXX WORK/SCHOOL PLAN:

If you want to earn money while you are in school, then Covenant's HealthTraxx Work/School Program is for you—you can earn money, have excellent benefits, and gain valuable experience at Covenant while you are in school. After you graduate, you will continue your career at one of the Covenant Hospitals in Lubbock, Levelland, or Plainview for an agreed work commitment.

JUMP AHEAD OF YOUR CLASS & START YOUR CAREER WITH COVENANT TODAY

If you're interested in receiving financial assistance to continue your education and embark on your career at Covenant Health, then contact the Human Resources Manager at 806-725-0301 about Covenant's HealthTraxx programs.
